NE Supply Part # SET42443

Self Adjusting Closet Bolt

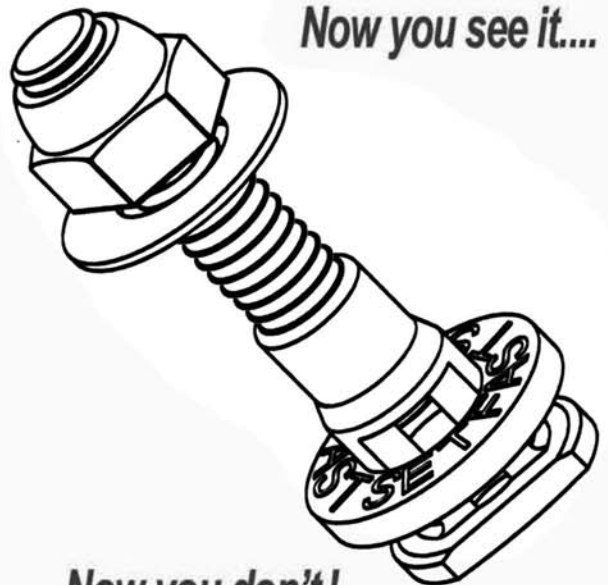

The "SetFast" advantage:

Form #SF-3406

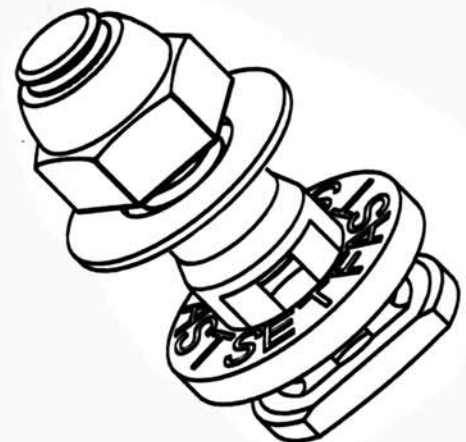

- No trimming, no cutting
- Locking "No Spin" base
- 5/16" bolt x 2-1/4" long
- No tip stand-up retainer
- Solid brass construction
- Reusable if needed
- Large 9/16" acorn nut
- No shavings, no mess
- Simplifies toilet removal

Setting a toilet has never been easier! The new innovative "SetFast" bolt is the industries first telescopic closet bolt.

Another great product from the company that brought you the "Plug-N-Stub" test nipple.

Now you don't!
